Dear Valued Partner,

Many of you may have seen recent news regarding an organization named Corporate Travel Management. **We want to proactively assure you that this company is entirely unrelated to us.**

Our Corporate Travel Management was founded in 1990 and remains an independent, privately owned U.S. agency. The unrelated global agency involved in recent reports is headquartered in Australia, was founded in 1994, and did not enter the U.S. market until 2012.

Unfortunately, the similarity in names has caused confusion in the marketplace, but we have no shared ownership, systems, data, financial accounts, staff, or operations.

We are deeply disappointed by the allegations surrounding the unrelated company and understand how such news might raise questions. Please know:

- Your travel program, traveler data, and financial integrity are secure.
- We continue to operate with the same stability, transparency, and high-touch service you have always counted on.
- Our reputation has been built over 35 years, and we remain committed to earning your trust every day.

If you have any questions or would like additional clarification, please feel free to reach out to me or your CTM service team directly. We're here to support you.

Thank you for your continued partnership.

Warm regards,

Kelly Noftsgger

Owner & President
